

St. Catherine's Early Education Centre CHILD SAFETY RISK ASSESSMENT

Policy Code: CS-09

Version: 2026-V1

Risk Assessment

Risks are assessed using the following criteria:

Risk Level	Description
Low	Minimal likelihood or minor impact
Medium	Possible likelihood or moderate impact
High	Significant likelihood or serious harm
Extreme	Immediate threat to child safety

Risk Mitigation Strategies

To minimise risks the service implements:

- active supervision practices
- clear professional boundaries for educators
- workforce screening and recruitment controls
- child-safe environment design
- staff training and awareness programs
- incident reporting and monitoring systems.

Monitoring and Review

Child safety risks are reviewed through:

- staff meetings
- incident reviews
- policy review cycles
- governance oversight.

St Catherine's

EARLY EDUCATION CENTRE

Where risks are identified, the service implements improvement strategies and records these in the Quality Improvement Plan.
